

InteGrade Pro 8.0 Home Installation Instructions

1. Insert CD into CD-ROM drive. (The program will start automatically in most cases) If it does not, go to start run D:\setup.exe. (If your CD-ROM is a different letter replace D with that letter)
2. Select (click-on) the first option (Install InteGrade Pro 8.0) from the InteGrade Pro 8.0 Product Suite box.
3. Click next.
4. Click next.
5. Click next.
6. Click next.
7. **Uncheck** "set grade book to update automatically on open"
8. Click next.
